

# DataSheet

The trusted go-to brand for fire extinguishers in the UK, Commander offers a comprehensive range of fire extinguishers. Now PFAS free across the entire range, time has proven the Commander range of fire extinguishers as a dependable choice for almost any situation – with reliable performance guaranteed.

## FOAM FIRE EXTINGUISHERS

Specified for installation in settings where there is a Class B (flammable liquids) risk in enclosed spaces, the new Commander range of fluorine-free foam fire extinguishers work by creating a dense foam blanket that rapidly spreads above the fuel surface of the fire, suppressing the oxygen supply which quickly extinguishes the fire. This creates a cooling effect that prevents reignition.

Technical Specification	FX-FFF-006-DCF	FX-FFF-009-DCF
Capacity	6 litre	9 litre
Fire Rating	21A 144B	27A 183B
Extinguishing Medium	Fluorine Free Foam	Fluorine Free Foam
Working Pressure @ 20°C	15 bar @ 20°C	15 bar @ 20°C
Temperature Range	5°C to 60°C	5°C to 60°C
Cylinder Material	Steel	Steel
Pressuring Gas	Nitrogen	Nitrogen
