

VANGUARD

M/NM EMERGENCY BULKHEAD

Vanguard emergency bulkheads can be configured for either maintained or non-maintained operation. The product features a convenient hinged gear tray for easy installation and a prismatic lens that offers improved spacings for both escape route and open area lighting. LiFePO4 batteries ensure a longer and more reliable service life.

Features

- Tough IP66 construction for indoor and outdoor applications
- Hinged gear tray for rapid installation
- Maintained or non-maintained operation
- Supplied with self-adhesive legend kit (Also sold separately)
