

FireShield Contractors Stand

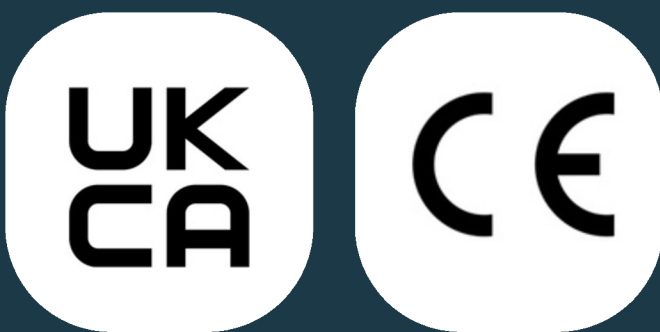

Product Specification Sheet

FireShield

Key Features

- Robust and strong stand
- Ideal to use as a fire point stand
- Perfect for storing fire alarms, safety signs and first aid kits
- Holds up to 3 fire extinguishers
- Easy to move stand
- Two durable wheels
- Bright red colour to easily locate the fire point
- Suitable for construction and building sites

The FireShield Contractors Stand is a durable, mobile fire point designed to hold fire extinguishers, alarms, safety signs (including extinguisher ID signs), and first aid kits. Its sturdy construction and easy mobility make it ideal for safely storing and relocating fire safety equipment around a site.

Perfect for construction sites, warehouses, and other temporary or evolving work environments, it ensures essential safety equipment is always visible and accessible.
