Product Specification Sheet

FireShield

Key Features

- Red Powder-Coated Enclosure
- Screen-Printed Fire Service Logo on Hinged Door
- Supplied with 1 FB1 Key
- 7 Key Hooks
- Space for 150 A4 Paper Sheets
- Wall Mountable and Made in the UK

The FireShield Premises Document Box offers a recognised focal point for the provision of premises plans and information to attending fire crews in the event of an incident through the use of a FB1 Fire Service Key.

Designed to assist the emergency services, the Premises Fire Document Box provides fast access to important building information.

There is an ever growing need to provide information on building layouts as well as stored hazardous materials to the Fire & Rescue Service.
