

FireShield Wet Chemical Extinguisher

Product Specification Sheet

FireShield

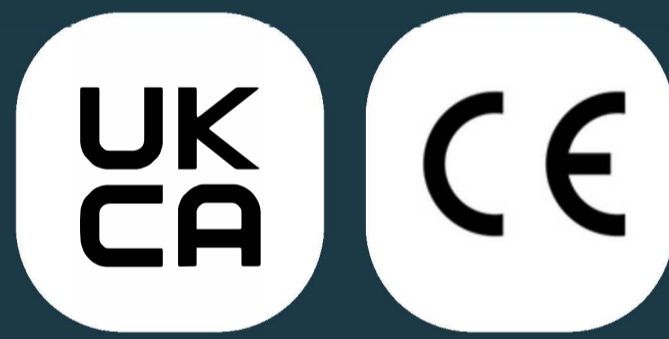

Key Features

- CE approved
- Passed 35kv conductivity test
- Polythene internal lining
- Corrosion resistant finish
- Built to last - Ideal for harsh environments
- Easy to service
- 5 year warranty on all models

The FireShield Wet Chemical extinguisher is ideal for kitchen fires involving cooking oils and fats. Recognisable by its red canister with a yellow label, it's also safe for electrical fires but not for flammable liquids, gases, or metals.
