# SC-61-0002-0001-99

SmartCell Internal Communications Module V2 (2G/3G/4G)

Details

- Provides remote connection option for SMS/email updates
- For internal connection within the SmartCell control panel
- Includes GSM antenna and SIM card supporting 2G / 3G / 4G connectivity
- Requires SC-94 SmartCell remote services annual contract after 1 year

SC-61-0002-0001-99
SmartCell Internal Communications Module V2 (2G/3G/4G)

Technical specifications

Electrical

Operating voltage	5 VDC (from control panel)

Physical

Physical dimensions	100 x 90 x 5 mm (W x H x D)
Net weight	0.1 kg

Environmental

Environment	Indoor

Regulatory

Compliancy	CE
Standards	EN54-21

Product features

Transmission	Ethernet & GSM/GPRS (cellular 2G / 3G /4G)
Antenna type	T-Bar c/w 3 m cable (supplied with card)
