

STI Clock & Bell Cages

STI-9636

PRODUCT OVERVIEW

These steel cages are designed to protect clocks and bell boxes from vandalism and misuse, for internal and external use. Constructed from plastic coated, heavy-duty galvanised steel rod, these cages can cope with the severest of abuse from vandalism and accidental damage. They are plastic coated for durability and use outdoors. All are backed by a three year guarantee against breakage in normal use.

HOW IT WORKS

A simple 4 fixing point installation makes them easy to mount, and removal is simple for servicing the protected device. Full fixing kit is provided, but where additional security is required, tamper resistant screws and matching bits are also available.

KEY FEATURES
